MASTER OF SCIENCE PROGRAM IN CRIMINAL JUSTICE

About the Program

This Master of Science degree in Criminal Justice is an interdisciplinary program that prepares the criminal justice professional who aspires for leadership positions at federal, state and city agencies. A graduate degree in Criminal Justice provides the opportunity for doors to open for advancement in the field.

The Monroe College Master of Science in Criminal Justice prepares the Criminal Justice professional for the challenges of the twenty-first century. The Criminal Justice system and the professionals within the field and those that aspire to join the ranks must be prepared for the changing nature of the field of Criminal Justice and how to be a leader in this field. A Masters in Criminal Justice prepares you to enter the professional world of the legal and justice system and to be able to handle the new threats and challenges facing the society and the world at large.
