ACCOUNTING MAJOR AREA MINOR - eff. FL14

Deciding on a major area minor is an important step in improving your success in the job market. It can assist you in demonstrating that you have some expertise and/or passion in one specific accounting-related area, and may be helpful when listed on your resume and on job applications. Please review the following business & accounting related minors, and then meet with your Student Services Advisor, Dean or Chairperson to insure that the needed major and/or Open Electives are available, and to then complete the processing of this declaration form.
