I'm completing the FAFSA for the first time... What do I need before I begin?

Create your Federal Student Aid ID (FSA ID-username and password)

Independent students: <https://studentaid.gov/fsa-id/create-account/launch>.

Dependent Students and one of your parents:

- ▶ Create an FSA ID for yourself at <https://studentaid.gov/fsa-id/create-account/launch>. The parent with whom you currently live must also register for an FSA ID. To create an FSAID username and password your parent must use an email he/she can access.
- ▶ You will use your FSA ID's to access your FAFSA every year. An FSA ID is used to sign your application and is also required if you use the IRS Retrieval Tool (DRT). Save this information in a safe place for future use.

What information do I need before I begin?

- ▶ Your Social Security number.
- ▶ If you are dependent, the Social Security numbers and the dates of birth of the parent(s) with whom you currently live.
- ▶ Students who are eligible non-citizens need their alien registration number.
- ▶ Student's driver's license number, if applicable.

Financial Information:

2020 tax returns for yourself, your biological parent(s) (even if unmarried, but living together), stepparent and/or adoptive parent(s). Untaxed income, amount of child support received or paid during 2020, and bank and investment information.

How do I know if I am an independent or dependent student?

 - Born before January 1, 1999
 - Enrolled in a Master's program
 - Married
 - A U.S. Veteran (including active duty)
 - Have dependent children or other dependents who live with you and receive more than half of their financial support from you.
- ▶ If you answered "NO" to all of the above, you're **dependent** and need parental information.
- ▶ **Meet with a Financial Services counselor if there are circumstances which prevent you from obtaining parental information.**

I need to renew my FAFSA. What do I need to do?

- ▶ Go to www.studentaid.gov or use the myStudentAid App to access your 2022-2023 FAFSA Renewal tab.
- ▶ Use your **FSA ID** (username, email or phone) and FSA ID password. If you forgot your FSA ID, go to **Manage My FSA ID** and click on Forgot password. Reset your password and save it.
- ▶ Update your personal information (marital status, address, cell number, email address, grade level etc.) if needed.
- ▶ **You will use your 2020 income information.** If an income tax return was filed in 2020, you will be directed to use the IRS Data Retrieval Tool (DRT) for both you and your parent(s), if you are dependent.
- ▶ If you are unable to use the DRT, follow the instructions and **enter your 2020 income tax information.**
- ▶ Be sure to sign your FAFSA. If you are dependent, your parent should use their own FSA ID to sign your FAFSA. **Be sure to click submit.**
