Bachelor’s in Human Services

Monroe’s Bachelor’s degree in Human Services, which builds upon the Associate degree, develops practitioners who are educated, ethical thinkers capable of applying their knowledge to serving others in various aspects of society, as leaders and managers. Students in the program are provided with the knowledge and skills necessary to seek employment in management and leadership roles, working with adults and children in a variety of settings. Students in this program receive real-world experience by completing two supervised field placements, which increases marketability upon graduation.

DID YOU KNOW?
- Monroe’s Allied Health program provides its students with the opportunity to travel during their Spring Break each year to provide medical assistance and education to impoverished communities.
- Monroe’s Human Services Club helps to strengthen ties between the college community and Human Services organizations in the city, creating pathways for meaningful projects and career opportunities for students.
- Monroe’s School of Allied Health provides hands-on learning with a fully-functional simulated pharmacy as well as an anatomy and physiology lab, a chemistry lab, a microbiology lab, and a pharmacy tech lab.
- Allied Health students have the opportunity to join the Alpha Eta National Honor Society, which promotes and recognizes significant scholarship, leadership, and contributions to the allied health professions. Within the society, students select, organize and carry out community service projects each semester.

**Student Testimonials**

uminum

"I started a 9-to-5 job and quickly realized that it was not the right career for me. I wanted to help people, and Monroe’s School of Allied Health allowed me to get my degree without having to take the time off work. Now I’m doing something that I love."

"I wanted to work within the health industry because I want to help change lives. I feel like the education I’m getting at Monroe is truly leading me down that path. I’m learning from experienced professors in wonderful facilities."

"When I first started at Monroe, I wasn’t sure about the MAP schedule because I wanted summers off. But I was able to graduate before my friends and I still had the entire month of August to spend with my friends and family."
