NEPHTALI DELGADO REYES, HEAD COACH

(914)740-6883 • ndelgadoreyes@monroecollege.edu

Since the day he came to Monroe in 2011, Coach Nephtali Delgado Reyes has amassed a 174-26 (.870 winning percentage).

Delgado Reyes has won over 30 matches four times in his tenure. The team has transitioned from a Division II program into a Division I team in the NJCAA. His teams have advanced to nationals three times, won five regional championships as well as three district championships.

One of Puerto Rico's most revered volleyball coaches, Coach Delgado Reyes emphasizes a strong work ethic and commitment to excellence both on and off the court. His list of accomplishments is long. He coached Adianez JV to the national championships, a third place finish in the Cup El Nuevo Dia, and the Championship of the qualifiers to the HS Central American Games. He led the Bayamon Military Academy to the Varsity Girls Championship League LACC and national finals. His team won the Championship in the Primera Hora National Tournament for 14 years-olds. He also won four tournaments with a Top Select 15 Elite Team.

While technique and fitness are the hallmarks of any successful volleyball team, Coach Delgado Reyes preaches a team concept and selflessness first and foremost. "The idea is to get individual players on the same page, so in the end they function as a well-oiled team," he says. Coach Delgado Reyes also puts significant effort to guiding his students so that 100% of them graduate.
